

Visiting Assistant Professor
Department of Physics and Astronomy
The University of Toledo

The Department of Physics and Astronomy at The University of Toledo invites applications for a visiting position at the Assistant Professor level to begin in August 2008. Pending final approval, the appointment will be for one year with the possibility of reappointment for a second year at the discretion of the university. The position will have a primary focus on introductory physics and natural science courses. A Masters Degree in physics or a related field is required; a Ph.D in related fields is strongly preferred, along with prior teaching experience. The person in this position will be expected to teach twelve credit hours of courses per semester, some of which may include laboratory sections. We particularly encourage applications from women and minority candidates. Applicants should include a current CV, a statement of teaching philosophy, and three reference letters. Review of the applications will begin on June 16, 2008. Applications should be sent to: Chair, VAP Search Committee, Dept. of Physics and Astronomy, MS111, Univ. of Toledo, Toledo, OH, 43606-3390 or by e-mail to Willie.Brown@utoledo.edu
